

You have the option to skip your loan payment in October, November or December on your qualifying Salem VA Credit Union Loan with a \$25 processing fee per skipped loan payment. Fill out the skip form with your information and make sure to mark which month you would like to skip!

# Freeze Your Monthly Payments

You must be a member in good standing with all loans current to participate in the Skip-A-Payment program. Student loans, single pay notes, cashline line of credit loans, or any type of real estate loans are not included in this offer. As a result of skipping your payment disability, life and/or GAP insurance may be reduced. Skipping your payment will not change the monthly loan payment, but does extend the term of the loan. Interest will continue to accrue. Credit Card skips are seperate and have no processing fee. The payment will only skip in December. Finance Charges will continue to accrue.
