Skip - A - Pay

You must be a member in good standing with all loans current to participate in the Skip-A-Payment program. Student loans, single pay notes, cashline lines of credit loans, or any type of real estate loans are not included in this offer. As a result of skipping your payment disability, life and/or GAP insurance may be reduced. Skipping your payment will not change the monthly loan payment, but does extend the term of the loan. Interest will continue to accrue.
